URGENT/TIME BOUND MATTER

To,

Subject:- Regarding disruption of admission process and not conducting the session on time due to non-issuance of approval letter to law institutes by BCI on time.

Sir,

I respectfully inform you that every year BCI issues letter of approval for admission to the law institutes of the country which if not issued on time, works to disrupt the admission process in the universities of the country and the law institutes associated with them. The "Federation" had also informed the BCI about the problem by writing a letter dated 24 March 2025 in this regard, but till date no seriousness has been shown on the letter and the admission process in law institutes is disrupted (Copy of the letter is attached). **The approval letters being issued by BCI to law institutes for one year are completely against the rules because in the BCI Act itself, there is a clear mention of the provision of issuing approval letters for 3 and 5 years.**

The Federation is placing before you the admission related letters of different universities of the country for your easy reference by attaching them with this letter with the objective that if BCI does not issue the approval letter within the stipulated period, then how the admission process in law institutes will be completed on time. When admissions are not done on time, the exams will also be delayed or in many law institutes, if the approval letter is not received on time, the admission process will not take place at all.

In this regard the "Federation" requests your intervention and requests you to direct BCI to protect the rights of the legal institutions and issue the approval letter immediately. Along with this, we also request you to kindly get the law institutes which have got new affiliation and approval letters are to be issued by BCI inspected and get them inspected on time and get the approval letters issued.

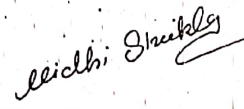

With respect.

Subject:- Regarding timely issuance of approval letters to law institutes when admissions for the academic session 2025-26 begin.

Respected Sir,

As you would be aware, from next month, the admission process for the academic session 2025-26 will be conducted in the educational institutions of the country. In this regard, you should also be aware that from this year, admissions will be done in most of the states of the country through their state level admission portal. In Uttar Pradesh, this admission will be conducted through "Samarth" portal. Similarly, admission in other states will also be done through central system.

The approval letters which are received by law institutes from the Bar Council of India are received with a lot of delay which has been happening for the past many years. In this, many law institutes are not able to take admission in that academic session for which the letter is issued to them because by then the admission process is over.

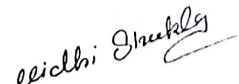

So that the academic session 2025-26 can start properly and the law institutes do not face any problem in admission, the "Federation" requests the Bar Council of India to please issue the approval letter to the law institutes on time.

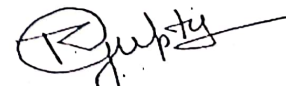

With respect
