To,

Principal Secretary,
Basic Education Department,
Uttar Pradesh Government, Lucknow.

Subject: Regarding direct admission in D.El.Ed-2024 in self-financed institutions if there are a lot of vacant seats.

Sir,

Please be respectfully aware that a large number of seats are vacant in the self-financed institutions of the state in D.El.Ed-2024. This year, the admission process was delayed due to the order of the Honorable Court and the decision was not taken by the examination regulatory authority (PNP) in time, due to which the interest among the students of the state has decreased. There is indifference and short-sightedness being shown towards D.El.Ed course in the state, due to which the situation of admission in self-financed institutions of the state is worsening year by year and this is having a wide impact on the institutions. The diets of the state are also not untouched by its negative effects.

In the admission process in D.El.Ed-2024, it is necessary for the benefit of students and self-financed institutions that it would be justified to kindly provide an opportunity for direct admission to the candidates registered in D.El.Ed course. In this matter, "Federation" requests you to please provide the opportunity for direct admission in D.El.Ed-2024 course in view of the current situation.

With Regard.
